<p>Care Management Fee (Case Management) - per fortnight</p> <p>Care Management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Planning. Care management includes services such as reviewing the Home Care Agreement and Care Plan, coordinating and scheduling of services, ensuring the care is aligned with other supports, providing a point-of contract for the home care recipient or their support network, ensuring care is culturally appropriate and identifying and addressing risk to the home care recipient safety. This may be provided in different ways including face-to-face or via phone or email.</p>	<p>Level 1 = \$62.00 Level 2 = \$114.00 Level 3 = \$220.00 Level 4 = \$322.00</p>
<p>Basic Daily Fee</p> <p>The basis daily fee is set by the Government at a percentage of the single basic aged pension. The fee varies depending on your Home Care Package Level. The basis daily fee is added to your government subsidy to increase the funds available to you in your Home Care Package Budget.</p>	<p>Huon Regional Care does not currently charge the Basic Daily Fee.</p>
<p>Income Tested Fee</p> <p>The income-tested fee is a contribution that care recipients may be asked to pay if they can afford to do so and is in addition to the basic daily fee. The income-tested fee is determined through an income assessment, which is conducted by Services Australia.</p>	<p>Services Australia determines this fee on an individual basis. You will be advised by letter of your fee.</p>
<p>Additional Service Fees</p> <p>If you wish to purchase additional services over and above what is covered by your Home Care Package budget, you may do so and pay privately for these services. Services are charged at the advertised rate, and you will be invoiced for these monthly. These services are optional and will be negotiated with you as part of our Care Management Process.</p>	<p>Additional services charged as per the Huon Regional Care Schedule of Fees.</p>
